

FALL 2015

ASAP

Program Brochure

**The Dr. John C. Page
Elementary School
After School Arts Program**

A Note from the ASAP Coordinator:

Welcome to the Fall Session of the After School Arts Program! The ASAP is a PTO-sponsored enrichment program offering a variety of classes taught by teachers and community members for students at the Page School. The next session starts soon with 5 and 6-week programs. Registrations are due **September 30, 2015**. Classes begin on or after **October 1**.

Please note that once the classes are filled to capacity, no late registrations can be accepted. This ensures a safe teacher-child ratio and makes ASAP more enjoyable for everyone.

You may pay by cash or check made payable to West Newbury PTO. There will be no online payment option this year.

Thank you in advance for your cooperation.

Please remember to send a note for your child to be dismissed to ASAP each day class meets.

Registration Policy

All registrations must be completed on a Page ASAP Registration Form and returned to school by **Wednesday, September 30**. Fill out one registration form for each class your child is taking. Enclose a separate check labeled with your child's name and class and make it payable to the West Newbury PTO. Please return checks and registration forms to school in an envelope marked ASAP. Only registrations with completed forms and full payments will be accepted. If there are more children signed up for a particular class than there are spaces available, the enrollment will be randomly selected after the registration deadline. If a class does not reach minimum enrollment, you will be notified by telephone and refunds will be made. If you do not hear from us by phone before the class starts, you should presume your child is all set.

Scholarships

We want every child that wishes to take an ASAP class to be able to! If cost is prohibitive, full or partial scholarships are available from the Page School PTO. Please contact Mr. Dustin Gray through the Page School office (978.363.2671) to request scholarship assistance.

Dismissal from School to ASAP

Please send a note to your child's teacher **each week** on the day of the class for dismissal to ASAP. Students will get dismissed and report to the appropriate location beginning the first week of classes and will be told where to meet the instructor on subsequent weeks.

Snacks

Be sure your child brings a **NUT-FREE** snack and drink to class each week.

Classroom Behavior Guidelines

Students should be respectful and cooperative with classmates and instructors. Parents will be notified of inappropriate behavior. If there is a second report, the child may not be able to participate.

Medical Concerns

Please inform the instructors or directors of the program of any medical concerns regarding your child. Should your child be diagnosed with a life threatening allergy, please make sure that your child has an EpiPen with him or her always and the instructor knows where to access it. ASAP instructors and/or directors are trained in the use of EpiPen if an allergic reaction occurs. There is a site coordinator present during every session to coordinate the emergency response protocol should there be a medical emergency.

ASAP Dismissal Policy

Students **must** be picked up promptly at the conclusion of the ASAP class. At dismissal time, please use the main entrance. The instructor will lead students to the main entrance at the end of class; the parent or designated guardian should be waiting there for pick up. At this point, the parent or designated guardian is responsible for the child, so it is essential for the children's safety that the parent/guardian is on time.

Cancellations

If the Page School is closed (holidays, snow, etc.), there will be no ASAP classes. Make-up classes will be held at the instructor's discretion. On days where the weather is inclement or threatening, please contact the Page School office after 1:30 p.m. for potential cancellation information.

Absences

Please assist us by calling the office or sending in a note if you know your child will not attend class. If a student has been in school, but is not present in the ASAP, an effort will be made to contact the parent to determine the student's whereabouts. This will help us to be certain of your child's safety.

Ideas and Instructors

Adults who are interested in sharing a talent, skill, or hobby with Page School students are encouraged to propose new courses for the ASAP. If you have any ideas for classes or instructors, or any general comments, please include them on the form provided below.
