Registration Policy

PLEASE NOTE THAT FORMS ARE NOW SENT BACK TO SCHOOL INSTEAD OF BEING MAILED

All registrations must be done on a Page ASAP Registration form and returned back to school by **Wednesday September 28, 2011**. Fill out one registration form for each class your child is taking (extra forms are available in the Page School Office or you can make copies). Please enclose a **separate** check labeled with your child's name and class and make it **payable to the West Newbury PTO** for each class. Please return checks and registration forms to school in an envelope marked ASAP. Only registrations with completed forms and full payments will be accepted.

If there are more children signed up for a particular class than there are spaces available, then the enrollment will be randomly selected after the registration deadline.

If a class does not reach minimum enrollment, you will be notified by telephone and refunds will be made. If you do not hear from us by phone before the class starts, you should presume your child is all set.

~ Scholarships ~

Full or partial scholarships are available from the Page School PTO. Please contact Jack O'Mara through the Page School office (363-2671) for further information.

~ Dismissal From School ~

Please send a note to your child's teacher **each week** for dismissal to the ASAP on your child's class dates. Students will be met by their teacher in the cafeteria the first week of classes, and then will be told where to meet their instructor on subsequent weeks.

~ Snacks ~

Be sure your child brings a **NUT-FREE** snack and drink to class each week.

~ Classroom Behavior ~

Students should be respectful and cooperative with classmates and instructors. Parents will be notified of inappropriate behavior. If there is a second report, the child may not be able to participate.

~ Medical Concerns ~

Please inform the instructors or directors of the program of any medical concerns regarding your child. Should your child be diagnosed with a life threatening allergy, please make sure that your child has an epi pen with him or her at all times and the instructor knows where to access it. ASAP instructors and/or directors are trained in the use of an epi-pen in the event of an allergic reaction. There is a site coordinator present during every session to coordinate the emergency response protocol should there be a medical emergency.

~ ASAP Dismissal Policy ~

Students **must** be picked up promptly outside the nurse's office. **THIS YEAR WE MUST USE THE CAFETERIA ENTRANCE.** There will be instructions sent with confirmation emails for the pick-up procedure changes due to construction at the school. Carefully note your child's class dismissal time. The instructor will lead students to the area outside the nurse's office at the end of class, where the parent or designated guardian should be waiting to pick them up. At this point, the parent or designated guardian is responsible for their child, so it is essential for the children's safety that the parent/guardian is on time.

~ Cancellations ~

If the Page School is closed (holidays, snow, etc.) there will be no ASAP classes. Make-up classes will be held at the instructor's discretion. On days where the weather is inclement or threatening, **please check emails throughout the day for any cancellations** or contact the Page School office after 1:30 p.m. for potential cancellation information.

~ Absences ~

Please assist us by sending an email, calling the office or sending in a note if you know your child will not attend class. If a student has been in school, but is not present in the ASAP, an effort will be made to contact the parent to determine the student's whereabouts. This will help us to be certain of your child's safety.

~ Ideas and Instructors ~

Adults who are interested in sharing a talent, skill or hobby with Page School students are encouraged to propose new courses for the ASAP. If you have any ideas for classes or instructors, or any comments in general, please include them on the form provided.

~ Any Questions? Contact ASAP Coordinators ~

Meg Beriau- 978-363-5261 or Dianne Romano- 978-363-2289 or email at pageasap@gmail.com
